**Data Note:** The Industry Employment Index™ (IEI), Workforce Preparation Index™ (WFPI), Geo-Skill Index™ (GSI) and Workforce Occupation Index™ (WOI) indicate concentration relative to a national average of 1.00. Industry employment is based on the NAICS. Occupation and skill estimates are based on the national industry average. Occupation employment is calculated based on the Total Industry Employment minus the Unclassified Occupation Employment. Both Skill and Workforce Preparation estimates are based on the Total Industry Employment minus the Unclassified Skill Employment. \*Geometric retrieval, block group, census tract, and county reports show county level poverty, wage, education and insurance data. State reports show state level poverty, wage, education and insurance data.
